How BIG is Your Inventory Responsibility?

And How to Ease the Burden of Managing It

Managing your growing inventory can often feel like an overwhelming burden. But as stewards of tax payer taxpayer dollars, it's critical to responsibly track and manage all of your district's inventory.

Find the total value of your inventory below to understand just the size of your inventory responsibility.

$1 MILLION

The average annual cost to educate 80 students in the United States in 2016, **a per pupil cost of $12,509.**

$

$45 MILLION
